

Find an Internship...

begin with a vision

Visualization is the first step to making something happen. We have to build a picture in our minds of what we want before we can create the experience. To have a successful internship experience you must consider who, what, where, when, why and how before you proceed. Write a response to the questions below using as many details to describe the internships you desire.

WHY do I want an internship?

Give at least three reasons...

WHAT kind of work would I like to do?

Describe your duties...

WHERE would I like to do my internship?

Name specific companies or organizations...

WHO could help me find an internship?

Name names and/or specific campus resources...

List several Professional Associations to contact...

WHEN do I want to do an internship?

Give a specific month and date...and how long you want it to last...

HOW will I make my vision a reality?

List 3 next steps you will take to get an internship ...

1. _____ Date: _____
2. _____ Date: _____
3. _____ Date: _____
