

Master Your Mindset

Many employers would rather hire employees with the “right” mindset over a candidate with the “right” skill set. They believe that a person with a winning mindset will find ways to learn and build the skill sets they need to succeed. But what does a winning mindset include? Hidden in this word search are 36 of the 72 qualities employers used to define this mindset. Work with 2 or 3 other students and find the 36 traits employers seek.
