

# Try an Informational Interview

In the video clip, author Clifton Taulbert described an entrepreneur like this... "When I think of an entrepreneur I really don't think of a word that starts with an 'e'. I think of someone. I think of a man, a woman; I think of someone who stands out from the ordinary and makes a tremendous contribution to life..."

*Who do you think of when you hear the word entrepreneur?*

Describe one of your entrepreneurs to another student.

## SCORE an Interview

SCORE is a nationwide professional association with over 13,000 members. All their members have entrepreneurial experience. If you contact SCORE, online at [www.SCORE.org](http://www.SCORE.org), and ask to interview an entrepreneur, they will connect you online, via phone, or in person with one of their volunteers.

What kind of entrepreneurial experience would you like to learn about?

Why would this be helpful to you?
